***INTERDEPARTMENTAL COMMUNICATION***

***To: Planning Board***

***Date: September 8, 2006***

***From: Kim DelNigro, Secretary for Planning & Engineering***

***Subject: Yin Peet Property – 68 Quarry Road – PCRC Application SP - Continuation***

---

The Engineering Department received a revised plan, including drainage calculations that seem to be responsive to the driveway location issues raised at the last Planning Board meeting and during a meeting on site with the applicant, Town Planner and Town Manager.

Plans were received this afternoon and no review could be conducted. Engineering will review the plans and documents next week.

Thank you.
